

## What are soft skills?

Soft skills are personality traits such as leadership.

## What are hard skills?

Hard skills are related to specific technical knowledge and training.

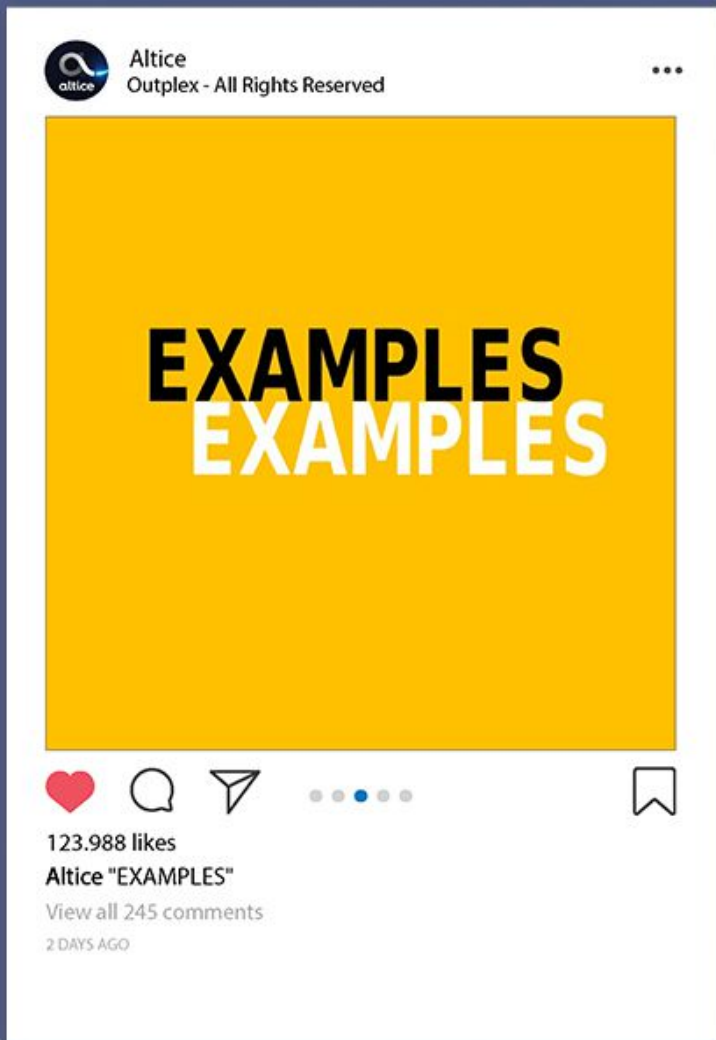

## What's the Difference Between Soft Skills vs Hard Skills?

Hard skills are teachable and measurable abilities, such as writing, reading, math or ability to use computer programs. By contrast, soft skills are the traits that make you a good employee, such as etiquette, communication and listening getting along with other people.

## Soft Skills Examples

- Interpersonal Skills
- Communication
- Collaboration
