# New York Times Replica Edition

The **New York Times Replica Edition** it's an e-reader option for subscribers who would like to see the print paper online or in pdf form. Makes it easy to look through Today's paper and 1 month old editions. It can be seen online and offline. It can be setup for auto-download, save articles and translate, share or listen the New York Times content plus the availability to comment on articles.

## **Which subscribers have access to Replica?**

1. Premium HD subscribers.
2. Replica stand alone subscribers.
3. Eligible international subscribers.

# How do we know?

By going to the Account and checking if they have Premium HD or by going to "What's Included?"

**For Premium HD subscribers access to Replica they will need to follow the next steps:**

**Username: HD(account number) to enter on the email address field**

**Password: replica**

Please remember the subscribers that once they have authorized their Replica Account they do not have to follow the steps in the future. Simply follow regular steps to access their paper daily, or if they have turned on the auto delivery option their paper should download by itself when they open the app for the first time of the day.

# Replica Login

If Android:

1. Download PressReader from Google Play from your Android device.
2. Open PressReader, tap on Accounts in the menu, then tap on Sign in.
3. In the pop up window that appears, please select the Email option sign in. A new pop up window will appear, please enter your username in the email address field and password then tap on Sign in. You should see the new authorization in the left hand menu.
4. Now, tap on Browse in the menu.
5. Search/Select The New York Times.
6. The issue will be added to your library and a green progress bar will indicate that it is being downloaded. Please do not disconnect from Wi-Fi until this download is complete.
7. An image of the latest issue of the paper will appear. I recommend turning on Auto Delivery (Automatically deliver all new issues). This will ensure that the newest issue of the newspaper will automatically be downloaded to your library daily. Select the green Open button to begin the download process.

# Android Screen

# Replica Login

If iOS:

1. Download PressReader from iTunes from your iOS device.
2. Select Accounts from the Menu screen in the upper left corner, then select Sign in and enter your PressReader username (in the email field) and password (see above).
3. Now, tap on Browse in the menu.
4. Search/Select The New York Times.
5. The issue will be added to your library and a green progress bar will indicate that it is being downloaded. Please do not disconnect from Wi-Fi until this download is complete.
6. An image of the latest issue of the paper will appear. I recommend turning on Auto Delivery (Automatically deliver all new issues). This will ensure that the newest issue of the newspaper will automatically be downloaded to your library daily. Select the green Open button to begin the download process.

WEEKEND ARTS

# Just a Few Ways to Pass the Time

Our critics and writers have selected noteworthy events to experience virtually.

## 1 DANCE A Peek Behind ‘Broken Theater’

In May 2019, the dancer and choreographer Bobbi Jene Smith took over the Ellen Stewart Theater at La MaMa, in the East Village, with “Lost Mountain,” a vivid, tempestuous work of dance theater for 10 dancers and musicians. Throughout the coronavirus pandemic, Smith, who is currently La

A scene from “In Process With Bobbi Jene Smith,” which La MaMa will stream this weekend.

MaMa’s resident artist, has continued working with members of that cast on a sequel of sorts, “Broken Theater,” further excavating the tense, [alm](#) →

## This weekend I have ...
