

WHAT IS A STANDBY FLIGHT?

It is when passengers want to travel on a sooner or later flight on the same date of their already checked-in flight, if they already checked in and they want to travel on another time of their flight, they may request stand by at the airport.

Standby is not guaranteed.

Guests may be placed as a Standby Guest *only when they have a confirmed flight for the same day of travel.*
(Checked-in)

If the guest has a confirmed flight, they may request to be placed as standby for an earlier or later flight *on the same day of their original booking, where seats are available.*

This service is \$99.00 per passenger.

IMPORTANT POINTS

- ***This option must be requested while at the airport on the same day of travel.***
- ***This service is \$99.00 per person.***
- ***Standby seats are not guaranteed, they are space available.***

This can be requested only at the airport.

You can make a Same-Day Change which is very similar but not the same (only if the guest missed the flight & within 45 minutes of missing it).
